## Circulation Drive Enters 3rd Week

**A Campaign Report**  
After two weeks, The Cameron Herald's circulation expansion drive has caught fire across Milam County and Cameron.

The word has been spread, but more importantly and effectively, it has been fully explained by The Herald's 14 working contestants that every new subscriber, and every present subscriber, has the opportunity to save money on subscriptions now.

Bargain rate subscriptions - offering the chance to save as much as \$6 on a 5-year subscription - are now in effect, and will remain in effect until The Herald's present circulation campaign ends May 31.

Other savings are offered as well. Now entering its third exciting week, this campaign today is literally the talk of the entire area.

**\$3,300 IN CASH**  
A cash prize such as is now being offered by The Herald - announcement of \$3,300 in cash prizes - would be big news any place.

It is big news in Cameron and throughout the area.

The first prize awards came last Monday night, when 10 of the 14 working contestants shared a \$250 cash award, each receiving \$25.

But more important, perhaps, is the fact that subscribers who have already given subscriptions in the first two weeks have made net savings equal to three of four times the amount of the \$250 awarded.

On this page today, in the listing of all contestants now enrolled, the names of the 10 lucky prize

winners are first on the list under the heading, "TOP TEN".  
One or two others missed getting into the top ten winning position by only a few dollars in sales - an extra hour or two of subscription selling could have made the difference.

There is a vast difference in being a leader in the 10-day period and a top prize winner at the end of the campaign even though these ten at the top are the present leaders.

### LIST NEXT WEEK

For the first time, next week's Herald will list all contestants as they stand in the race. The one who has sold the most cash subscriptions will be listed in the No. 1 spot and on down the list from 1 to 10 or more.

It will be the first knowledge contestants themselves will have as to their position in the race for the big \$1,000 top prize.

On an inside page, photos of the contestants appear in a full page advertisement. Turn to Page 9 and see how many of them you know - which one you choose to vote for with your subscription.

Remember, the votes cost you nothing. You do save money during the campaign. And as a bonus, you get a coupon good for one free want ad in The Cameron Herald.

It is truly an exciting campaign.

### Last Rites Tuesday For Joe Bass, 80

Funeral services for Joe D. Bass 80 were held 2 p. m. from the Chapel of Green Funeral Home Tuesday. Rev. A. F. Russell officiated and burial was in Oak Hill Cemetery.

Born March 10, 1883 in Kerrville, he died Sunday evening. Bass was a member of the First Baptist Church and the IOOF Lodge. He had served on the City Council a number of terms and served as City Electrical Inspector.

Surviving are two brothers R. S. Bass of Britton, Okla. and L. N. Bass of Lufkin; one sister Mrs. E. S. Maricle of Shreveport, La., a number of nieces and nephews. Pallbearers were members of the Odd Fellows Lodge.

## New Cemetery Entranceway Street Projects Listed

### Fence, Entrance In At Oak Hill

City Councilmen Tuesday heard reports on near-completion of a new cemetery entranceway, two paving projects and preliminary work on First and Fifteenth Sts. Councilman Roy Griffith reported that a new chain-link fence has been installed along East Gillis St. to a new concrete tile entranceway at Oak Hill Cemetery.

He said that lettering was being ordered to be installed at the entranceway built of masonry.

And Public Works Supt. J. B. Earle reported that asphalt work has been completed on W. Sixth St. from Jefferson Ave. to SP Railroad, except for some handwork.

And Asphalt paving has been completed on Austin Ave. from W. 12th St. north. And a prime coat of paving material has been put down W. 12th and W. 14th Sts.

**RACING TEAM FAILS TO PLACE IN ROCKDALE**  
Preliminary work has been started on base work on W. First St. from Karnes Ave. to Orchard Ave. and on base work on 15th Street from Burns Ave. to Jackson Ave. correcting drainage.

Councilmen also heard a request for paving and gutter from Alva Sanders, representing some property owners along E. Sixth St., from Fannin to Houston, according to City Secretary Buddy Fuller.

Mayor Coleman Duncum advised that a co-operative program would be considered if property owners wished to participate.

In other public improvement news, Earle noted prospective work on First Street from Bowie Ave. to Nolan Ave., Ross Ave. from SH 36 and 228 feet south on Ross Ave., Fifth Street from Travis Ave. to Lamar Ave. to SH 36.

Water Supt. Alvin Heft reported installation of three four-inch sewer lines in West Cameron, and repair of several lines and a fire hydrant.

He also anticipated installation of 200 feet of two-inch pipe and 160 feet of smaller pipe in the Zarosky Addition, to be paid for by the property owner.

Mayor Duncum read City Judge John B. Henderson, Jr.'s formal letter of resignation, effective June 1, prior to taking office as county attorney succeeding Jack Prescott.

And a final \$16 check to Bett Close, former city employee was approved for forwarding with a recommendation that it be endorsed back to the city for partial repayment of money missing from City Hall this spring.

And an annual financial statement from Texas Power & Light Co. showed that the company paid \$5,444.64 in a 2 per cent gross sales tax to the city.

In other action, Mayor Duncum called for bids on new City Hall office desks.

And routine bills were approved by the Council.

### 2 Break - Ins Net Burglars Change, Beers, Sundries

Two break-ins this week netted unknown culprits about \$15 in change, a few beers, some candy and cigars.

Chief Elvin Hoskins said that burglars Monday broke into the Cameron Bowling Lanes and took about \$15 in change from cigarette and juke box machines.

In another report, the Dairyland was broken into Saturday night, netting the burglars some candy and cigars.

Both entrances were made through windows.

Police are continuing to seek the person or persons who broke into Harden's Jewelry two weeks ago and took some watches and costume jewelry.

Who ever took the change at the bowling lanes drank some beer, Hoskins said.

### Nelda Parker Wins 4th In State Meet

Nelda Parker, Yoe Senior, placed fourth in the state finals of the Interscholastic League journalism feature writing contest last week in Austin.

Peggy Schiller also a Yoe senior did not place in the state finals in shorthand. She won both the district and regional meet.

Miss Parker is the daughter of Dr. and Mrs. Joe Parker and Miss Schiller is the daughter of Rep. and Mrs. Milton Schiller, all of Cameron.

**SCOUT FIRST AID** - This group of Boy Scouts show some of the first aid skills they have learned in their Scout program. First Aid is only one of the many phases of Scouting to be shown in the Scout Skill-O-Rama to be held at the National Guard Armory Saturday night.

## 800 Scouts Open 'O-Rama Saturday

Cameron will play host to about 800 Scouts and Scouters this Saturday night as they come to the local National Guard Armory for a Scout Sill - O - Rama. It will start at 7 p. m.

A feature attraction will be the Oglewanagi Indian Dancers, a group of teenage dancers from Mexico under the direction of Ken Pearson. The group of boys and girls has won acclaim throughout the state for their dancing and has won first place the last four years in state competition. The group travels all over the U. S. to perform.

Exhibits from units from Cameron, Rockdale, Thorndale, Milano

### FIREMEN GET 2 CALLS TUESDAY 1ST IN 46 DAYS

After 46 days without having to answer an alarm the Cameron Fire Department had two fires within nine hours Tuesday night and Wednesday morning.

The first fire was at 7:45 p. m. Tuesday when a coal oil stove blew up causing about \$25 damage to the home of Jessie White. The house is owned by Evelyn Young.

The second alarm pulled fire men out of bed at 3:50 a. m. Wednesday morning. A bearing on the right rear axle burned up on a Houston bound trailer truck loaded with maize. Damage on the truck was minor as firemen stopped it quickly and limited it to the drums, wheels and tires.

## Educators Citing Jamison's Work

The following is a tribute to Cameronite Dr. William L. Jamison, special educator, killed in an auto accident near Charlotte, N. C. March 8. It is an unusual tribute written for The Herald by Jim Banbury, copy desk chief of The Charlotte (N. C.) News, who was his personal friend. It tells timely story of important dedication. Ed. Special To The Herald

**CHARLOTTE, N. C.** - Local and national leaders in family life education will pause here this month to honor one of their own - a Cameron, Texas native whose work had barely begun before his untimely death two months ago.

He was Dr. William L. Jamison, 46, coordinator of psychological services in the Charlotte city-county schools. Here but 18 months, his promising work was cut short March 8 when he died in an auto accident.

The pioneer in his field here, Dr. Jamison had established a testing and evaluation program to help the problem student. His work was with the unwanted, the slow or the boy or girl whose learning progress was blocked by other problems.

In less than two years the quiet psychologist had brought his service into being and had touched scores of students, their parents, and their teachers.

Part of Dr. Jamison's keen sense of service involved the Charlotte-Mecklenburg (County) Family Life Council, of which he was a member of the board of directors. It is this council which will meet May 22 with the workshop and dinner meeting that night dedicated to Dr. Jamison.

His widow, Mary Frances, will

## Crowd Expected At Chick Show

Growers in the Milam County Junior Broiler Contest will bring their best five out of fifty chickens raised over a period of eight weeks to Cameron Saturday, May 11 to be judged.

Cecil Ryan of A & M College will act as Judge for the show and R. G. "Red" Garrison, Publisher of the Poultry Industry of Garrison, Texas, will be guest speaker for the awards banquet to be held 7:30 p. m. Saturday evening in the Methodist Fellowship Hall.

All sponsors and growers will attend the banquet and growers will receive trophies, certificates and prize money for the first ten places in each of the pullet and cockerel categories.

The show will be held on the lot under a tent next to McLane Wholesale company and growers must have their chickens in the coop by 8:30 a. m. for the judging to begin at 9 a. m. All sponsors must pick up their show chickens by 4:30 p. m. on this day.

Leo Fuchs is chairman of the Poultry committee. Other members are J. D. Moore, Charles Brady, Allen Dodson, Gus Elley, Pat Garner, Lewis Elley, Lester Byrd, Monroe Fuchs, Alton Fuchs, Cornelius Titworth and William F. Arthur.

She is survived by three nieces and three nephews.

She taught at Ben Arnold for two years and then moved to Houston and taught 40 years in a Houston School. She retired seven years ago.

She died in Herman Hospital after seven weeks illness.

### Jones Prairie Gets 1.2 - Inch Rains

Jones Prairie residents this week reported that 1.2 inches of rain fell in the northern part of Milam County over the weekend.

The Cameron area experienced some cloudy weather, but no rain.

### Polygraph Helps Innocent Too

## Detector Said Unbeatable

Thad Johnson, polygraph expert with the Waco Crime Bureau of the Dept. of Public Safety said Wednesday there is nothing as easy to handle nor as comical as someone trying to beat the lie detector.

In a Cameron Rotary speech, Johnson emphasized that alcoholics, criminal psychopaths and drug addicts are almost impossible to measure.

"You must determine what are the person's normal pulse or heartbeat, respiratory rate and average amount of perspiration reaction in the palm of his hand," Johnson said.

### TEST HELPS INNOCENT

"We get our biggest kick out of helping someone prove he did not do something," Johnson continued.

He later told the Herald that he had appeared as an expert witness only four times in the past year and that three times were

in the defendant's behalf. His expert testimony is admissible only when the Court, prosecution and defense stipulate to its value, he added.

Johnson cited one case where a skid-row bum was proved innocent of a murder charge by taking polygraph tests.

"We had to spend several days feeding him properly and resting him before his test could be considered valid," he told Rotarians.

The man proved himself innocent in the tests, Johnson said another skid row character was found to be guilty of murdering the cleared man's friend.

In dealing with a subject, Johnson said, it was often necessary to spend several hours explaining that nothing was going to happen to the subject when he was tested. Tests last only about 3 or 4 minutes, he said, but as many as 20 may be taken from one subject in a day.

## 104 By FML

Hundreds of people turned out Tuesday for the Cameron Delphian Club's second art show, this time a rousing success in participation and attendance at Methodist Fellowship Hall.

Dosses of entries from across Milam County awaited onlookers from equally diverse parts of the county. Some outstanding examples of water color, oils and charcoal were among the exhibits.

Young and old entered work for the public view. Mrs. C. A. West, talented wife of Rev. West, First Methodist pastor, has stirred additional interest in art through youngsters and adults of the Cameron area.

The efforts of the Delphian Club leadership made the show possible, certainly unique in town of Cameron's size. It was the second in three years.

104 - 104 - 104

With such events as art shows and increased support for the Cameron Library and prospective improvements in Cameron public schools, this Milam County seat enjoys a sort of renaissance of interest in the arts.

We can't help but believe that presence of such talent and interest will further the economic interests of this area as well.

Now days, industry looks as much to the living environment of a community as it does the physical attributes, which still must meet basic standards.

104 - 104 - 104

The 104 column of May 2 has stirred considerable comment on the modern-day problems of youthful discipline.

Things come to such an impasse when one generation accuses the other of irresponsibility.

Kids imitate adults. But once those same kids reach an age of accountability, urged by J. Edgar Hoover to be lowered to 16, Mom and Pop can take their lumps.

We see television drama, one after another, saying that society in general is to blame for delin-

## County Agents Notes...

### Wheat Growers Meeting Held

By J. J. Moore  
Milam County Agent

Wheat grower meetings were held last week by A. S. C. officials and the county agent to explain the proposed alternatives for a wheat program for 1964. A referendum will be held on May 21, to \$5,000 Fire & Extended Coverage on your Household Goods in your Brick home in City, \$9.00 per year. Call GEORGE CHILDRESS INSURANCE, OXFORD 7-2112.

determine by vote of the wheat growers what type of program they want. All wheat growers should register at the A. S. C. office by May 13, if they plan to participate in the 1964 program.

There are about 269 wheat growers in Milam County. The majority of the growers have small acreage with only two planting as much as 40 acres. Wheat yields will run from 15 to 30 bushels per acre in Milam County. Total acres planted to wheat this year in Milam County was 1000 to 1200 acres.

A two-thirds favorable vote or a negative vote by more than a third of the voters would be required to make the program determination. The first alternative which will require a favorable or "yes" vote by at least two-thirds of voters, as established by law, sets a national marketing quota of

at least 1 billion bushels; a national acreage allotment with no minimum; sets price support at 65 to 90 per cent of parity on the allocations; sets voluntary land diversions; and payments for diverted acreage.

The provisions established by the Secretary of Agriculture include a national marketing quota of 1.22 billion bushels; a national acreage allotment of 49.5 million acres; allocation, about 80 per cent of the normal production of a farm allotment would be classed as "certificated" wheat and be supported at \$2 (national average) per bushel. The other 20 per cent will be supported at \$1.30 per bushel. Normal production is defined as average annual yield for years 1953-62. In absence of proved yields, county ASCS committee will determine yields for farm. Land diversion will be 10 per cent of the 1963 allotment and payment for land diversion has been set at 30 per cent of the county support price for mandatory diversion and 50 per cent for voluntary diversion.

If the second alternative is chosen, most of the provisions of the first alternative will be dropped. Price support under the second alternative will be 50 per cent of parity - about \$1.20 per bushel - for those planting within their allotments and the 49.5 million acre national allotment will continue in effect.

#### CATTLE LICE

Cattle lice have been eradicated from entire herds using a method developed by the USDA. Proven over a five year period the method uses two sprayings 14 days apart to break the life cycle of the pest and all animals added to the herd are quarantined and treated. Malathion was the chemical used in the research at the Beltsville Research Center.

#### NATIONAL FORESTS

The National Forests hosted the largest number of visitors in their history last year. The increase interest in our forests saw hunting, fishing, camping, winter sports, swimming and hiking the most popular activities.

### Soil Testing Today For Profit

COLLEGE STATION — Today many cropping and fertilization recommendations are based on soil testing information. And many farmers and ranchmen are making use of the three soil testing laboratories in Texas to obtain this information.

A new bulletin of the Texas Agricultural Extension Service explains just what soil testing is and how it can be used by the producer. "Test your Soil for Profits" says that soil testing is a scientific method to determine the fertility needs of a particular field. It explains that chemical means are used to determine soil reaction, phosphorus, available potassium, available calcium, and soluble salts. Soil salinity can also be determined by special testing techniques.

Soil tests can be used as a basis for fertilization and liming of soils, according to the bulletin. Also, a soil test can help the producer determine what crop is best suited to his land, how much that crop should yield, and if the soil is infested with nematodes, insects or diseases.

In taking soil samples, obtain one from each major soil type in the field, using a spade, soil auger or soil tube. Information sheets can be obtained from the local county agricultural agent and should be filled out as completely as possible and sent along with the samples, the bulletin says.

### Dairying Is Changing Matter

COLLEGE STATION — During the last 10 years the number of dairy cattle in Texas dropped by one-half and the number of farms selling milk decreased the same amount. Yet the total production of the Texas dairy industry for the

period remained at about 3 billion pounds of milk per year.

These changes in the Texas dairy business are reported in a new bulletin of the Texas Agricultural Experiment Station, MP-614, "Changes in the Texas Dairy Industry" goes on to say that the nation as a whole followed the same pattern of changes.

#### COTTON REPORT

Texas - Oklahoma Summary: Texas cotton producers have planted about one-half their 1963 cotton acreage, according to the USA's Agricultural Marketing Service. Oklahoma farmers have planted only a small average of their allotment.

Spot cotton trading was light to moderate in southwestern area markets. Prices were steady. Demand was slack except for small quantities in scarce supply already committed. Farmers sold a few loan equities from \$2.00 to \$3.00 per bale Rio Grande Valley producers booked a small acreage of new crop cotton; however, interest was generally slow. Farmers were offering at hog - round prices on a crop basis but were unable to attract much interest at asking prices.

AUSTIN — Nearly 100 percent of the cotton is up to a stand and in good condition in the Winter Garden and Upper Coastal Bend. Most of this cotton has been chopped and plowed. About 98 percent of central Texas cotton is planted with 85 - 90 percent up to a good stand.

Some precipitation was received over much of the territory in varied amounts. Rain was accompanied by turbulent winds and cooler temperatures. Insect damage, due partly to dry weather, has been light. Farmers applied early applications of insecticides and have the insect situation under control.

The area of most significant increase in production was fluid milk which climbed to 32 percent in excess of the class 1 milk utilization. Increased milk marketing during the 10 year period was credited to technological changes in the handling of milk on the farm and increased efficiency of production. Also a decrease in the consumption of milk on the farm where it was produced, channeled about 27 percent more into the commercial trade during this period, the bulletin explained.

A change in the general consumption of milk has also occurred during the last decade, it continued. There has been an increase in per capita consumption of frozen dairy products and cheese and a decrease in use of butter and fluid milk. Demand for dairy products high in fats has also declined. More homogenized milk is being sold as well as more skim milk.

The bulletin predicts that milk processing plants will become fewer and larger and that they will produce more kinds of dairy products. It also says that a pricing system based on solids - not - fat instead of on butterfat will result in improved pricing formulas.

The ills of the dairy industry are described as over production and under consumption by the publication and it says that more emphasis needs to be placed on product promotion and consumer education.

### Awards Given To Rogers H E Students

ROGERS — Awards were made this week by three judges to winners in the annual homemaking department Spring Flower Show.

First place went to Annette Kovar and Rose Marie Brenek in the second year; and to Geneva Cobb in the third year class.

Other winners in Homemaking II were Anita Crawford and Dorothy Tyrock, 2nd; Gladys Schiller, Homemaking III class, Ferral Reid was 2nd; and Mary Martinez, 3rd. The judges were Mrs. Johnnie Martin, Mrs. Billie Synatzske, and A. A. Kretschmar.

### Mrs. Balhorn Hosts A & M Mother's Club

Mrs. W. W. Balhorn was hostess for the A & M Mother's Club Meeting April 25. Mrs. Niley Smith, Sr. president, was in charge of the meeting.

Miss Linda Tucker, a graduating senior, represented the club at the Cotton Ball at A & M College. She reported 165 girls attended.

Mrs. Leo Fuchs will be hostess for the next meeting. At close of the meeting Mrs. Balhorn served strawberry cake and cold drinks.

#### AIRY CATTLE

The number of dairy cattle in Texas has dropped by one-half during the last 10 years while the state's total milk production has same period the number of farms remained the same. During the selling milk decreased by one-half reports MP-614, "Changes in the Texas Dairy Industry". The publication, available at the Agricultural Information Office at College Station, points out an increase in the per capita consumption of frozen dairy products and cheese.

### Milam ASCS Report

Small growers, with farm allotments of less than 15 acres, should get all the facts about the 1964 wheat program so they can decide whether they want to participate in the program as "allotment" growers, Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service, said this week. The operator of such a farm has until May 13 to make his choice if he and other growers on his farm want to vote in the May 21 referendum on 1964 wheat marketing quotas.

Sanders explained that the small farm operator who elects to participate in the program as an allotment grower has the same alternatives open to him as the larger wheat grower in deciding whether he wants to vote yes or no in the upcoming referendum.

A "no" vote by more than one-third of the growers voting would mean the same in the 1964 wheat referendum as it would have meant in the past; that is, no quotas, no marketing quota penalties, and price support at 50 percent of parity to growers who do not exceed their acreage allotments.

A "yes" vote for 1964, by at least two-thirds of the growers voting, would mean a broader program than has ever been available in the past, including not only a diversion program and price supports to participating producers, but also marketing certificates at a relatively high level on most of the normal production of a farm's acreage allotment. In addition, a small grower with an allotment of 13.5 acres or less will have the option of diverting all his allotment to conserving uses at 50 percent of the county support rate on the normal yield of the farm's base acreage.

"We hope that all wheat growers, both large and small will make it their business to become well informed about the actual issues, so that the May 21 wheat vote may be intelligent and truly representative of wheat grower opinion," Sanders said.

"But right now of first and utmost importance is for the small wheat grower to sign the election to participate as an allotment grower and file it at the county ASCS office. Once the May 13 deadline has passed, the grower will not be eligible to participate in the program or vote in the referendum," Sanders added.

### Trip Planned For Sharp Students

The Sharp PTA's last meeting for this school year was used to plan an education trip to San Marcos for the students.

The PTA is sponsoring the trip which will be held on May 14. The bus will leave Sharp at 8 a. m. and parents are asked to pick their children up at the Sharp School at 5 p. m. Each child should bring a sack lunch.

#### REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending May 4 were 28 strep throat, 26 measles, two gonorrhea and 12 flu according to Dr. T. E. Crump, acting director of the Milam County Health Department.

# COOK

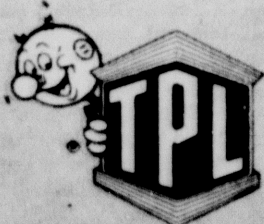

*flamelessly!*

"Really, Martha, the first time you cook with an electric range you'll wonder why you waited so long to see what it's like!"

This bit of conversation is typical of that you'll hear from the thousands of housewives who have made the change to flameless electric cooking. And, it's easy to understand when you consider that with electric cooking simple controls provide recipe-exact temperatures...top elements are in direct contact with utensils so that very little heat "spills" out into your kitchen...and, with no flame, pots and pans and your entire kitchen stay cleaner.

P. S. to Martha: Before you buy a new range, work up a "Dutch Dinner" evening with a friend or a member of your family who owns an electric range. Try for yourself cooking the flameless electric way. We know you'll like it.

### Thorndale—

#### Mrs. Harbers Installed As New Thorndale PTA President

By Mrs. Horace McDaniel  
At the regular meeting of the Parent Teachers Association Thursday night Mrs. Bettie Harbers was installed as the new president of the Parents Teachers Association for 1963-64 school year.

Other officers installed were Mrs. Norma Fitch, vice president, Mrs. Barbara McDaniel, secretary, Mr. E. E. Harbers, treasurer; Miss Lillian Hester, reporter. The meeting was opened with Bailey McNulty playing the "Star Spangled Banner." Kay Tucker gave the prayer. The new officers were introduced by Mrs. Marie Guthrie, outgoing vice president, Mrs. Mary McNulty, outgoing president.

Mrs. Nora Survant gave a report on the District PTA Conference meeting held in Lockhart in April.

The Library was opened to the visitors which is one of the oldest in the state. Also the Episcopal Church which was built in 1851 and which is still in use.

The meeting closed with room mothers serving refreshments to members and visitors in the lunch room.

Miss Carolyn Pierce, daughter of Mrs. Holmes Pierce and the late Mr. Pierce and Horace Remmert, son of Mr. and Mrs. Albert Remmert were united in marriage Saturday evening at 7 p. m. in the First Baptist Church.

The Rev. Rural Cooper, pastor of the church, read the double ring ceremony. Their only attendants were Miss Janice Zeischang and the bride's brother Richard Pierce. Only the immediate family were present for the ceremony.

Mr. and Mrs. Remmert are both graduates of Thorndale High School.

Mrs. Remmert is presently employed by the Southwestern Bell Telephone Company in Austin. Mr. Remmert is employed by Alcoa Co. at Rockdale. After a short wedding trip they will be at home in Thorndale.

Mrs. Norris Patschke of Dallas returned home Tuesday after spending the week here with her parents Mr. and Mrs. Eddie Schultz.

Miss Clara Hamblin and Miss Elizabeth Lehman of Brenham were guests Sunday of Mr. and Mrs. Horace McDaniel.

Mr. and Mrs. Bryant Hodge visited Mr. and Mrs. Horace McDaniel.

Mr. and Mrs. O. T. Bankston were guests in the home of Mr. and Mrs. Marcos Bankston and daughter, Linda Friday in the Sand Grove Community.

Rev. and Mrs. Richard Lockhart of Houston were greeting friends here last week.

Recent guests in the home of Mrs. Lila Smith and Carol were her grand daughter Mr. and Mrs. Will Dalhman and two children Keith and LaVanda of Bunham. Another guest was her grandson Freddie P. Blackman who is in the Navy and stationed in Kingsville.

Monroe Bannister who is working out of Waco spent the weekend at home with his family.

Mr. and Mrs. Tom Rowland of Bay City visited her mother Mrs. T. C. Westbrook Saturday.

**MORE LIFELIKE DECOYS.**  
Duck and goose hunters always strive to make their decoys more effective.

This can be done to a great extent by cutting off and drying out the wings of ducks and geese killed, then tacking the real wings on to the decoys.

The iridescent glint of real feathers make the decoys more realistic.

Mrs. Dock Thweatt, Mrs. Herbert Thweatt and Bryan Floyd attended the funeral of an uncle Ira Floyd at Batson Monday.

Ralph White and son David of Dallas spent Saturday night with his mother Mrs. Vina White.

Mr. and Mrs. Howell Armistead of Dallas spent the weekend with her parents Mr. and Mrs. John Thweatt.

Mr. and Mrs. Garland Williams of Houston and Rockdale visited her parents Mr. and Mrs. E. S. Hollingsworth Sunday.

### Clarkson—

# Booster Bar-B-Q Monday

## CLUB EVENT TO HONOR SPRING SPORT ATHLETE

The Cameron Booster Club will honor the boys that participated in Spring sports at Yoe High with an informal Bar-b-que at the Wilson Ledbetter Park Monday at 6:30 p. m.

The beef and chicken bar-b-que is for members of the club, coaches and boys who have taken part in the basketball, baseball, track, tennis and golf programs in Yoe High this year.

Club president John Henderson Jr. expects about 85 members and boys to attend.

The barbecue will honor these boys.

**BASEBALL** — Louis Dohnalik, Edmund Michalka, James Michalka, Don Swamy, Billy Davenport, John Smith, Bob Dymke, Lawrence Laffere, Larry Paul Manley, Ronnie McWilliams, Mike Mikula, Larry Plenti and Jon Roskosky.

**BASKETBALL** A Team — Laffere, Merlin Lester, Dickie Ponder, Mack McKinney, McWilliams Smith, and Davenport.

**BASKETBALL** — B team Douglas McFarland, James Vogel-sang, Manley, Newton Burnett, Paul Edmonds and Roskosky.

**TRACK** A Team — Tommy Hughes, Bill Kilgore, Frankie Dornier, Amos Doskocil, Dennis Jistel, Lester Schattie, Ponder, Eugene Schattie and Clark Wohleb.

**TRACT PARTICIPATING** — Mike Dunston, James Pavelek, John Duffy, Russell Wise, Edmonds, John Eanes, Mike Koranek, McFarland, McKinney, Eugene Wallace and Charles Wise.

**GOLF** — Ponder, John A. Smith, Judson Smith and Mark Humble.

**TENNIS** — Melvin Provasek and Earl McGoldrick. Also Craig Wallace, Ronnie Bollinger, Russell Wise and Eugene Wallace.

## Quit Gripping About Game And Fish Laws Warden Advises

Quit gripping to your neighbor across the fence about the game laws. You can't change anything there. But you will have a chance to change the game and fish laws by coming to the Regulatory Authority Meeting June 7 in the Milam County Court House at 8 p. m.

This, D. E. Davis, local game warden, says is the time to try to change the local game laws. There will be a fish biologist and a game biologist at the meeting to answer your questions.

There has been some talk in Milam County about changing the net law to use a gill net in Milam County. This should be discussed at the meeting.

## sports herald

By James Hollas

A very shocking and alarming fact came out in a daily paper a few days ago. This was a statement that our society is producing juvenile delinquents at almost three times the rate of the present population growth.

George J. Reed, a member of the U. S. Board of Parole, credits this to our premissive society.

In 1961, 15 per cent of all police arrests were under age 18, Reed told a conference of the Institute of Juvenile Delinquency in Dallas last week.

He attributed this to two reasons. First was the failure of the home, church, and society to teach respect for authority. He said they have gone on a "binge of permissiveness" in the past decade. "Respect for authority has not been taught in the home or church," he said.

And second there are not enough trained workers to cope with the field of juvenile correction and rehabilitation.

The lack of respect is general in our schools today. In speaking with coaches, teachers, administrators and ministers in this area they agree that this respect is lacking.

And this lack of respect makes the teaching or coaching a lot harder and the profession has lost some of its better instructors because of it.

The manner in which teachers are talked back to is pathetic. School walls are defaced, equipment is destroyed. And it is all done for kicks.

And what do adults, in too great a number say? "Oh, he is just a boy, and boys will be boys. He will grow up."

Yes, he may grow up. But it may be inside of walls.

The "boys will be boys" attitude must be done away with because it is just a way of approving what he has done. The old saying of "give an inch and he will take a mile" is true in this case.

Cameron's kids are no better, no worse, than any other town's kids but this is no excuse to let it go on. If this rise of juvenile crime Mr. Reed speaks of is to be stopped it must start on the local level.

— sh —  
This seems to be a year of change in the coaching profession. Of course, Cameron's John Roberts and Joe Davis have announced their resigning.

But in this area the three Rogers coaches, two of Caldwell's coaches and Bobby Castleman of Rose-

bud have all left their coaching posts.

Dal Coleman of Rogers has resigned to take a job with the Jasper school system as a coach. This school is a 3A school. It is not known at this time where the other two coaches will go.

Caldwell's coach resigned over a bit of difficulty with the school board and administration.

Castleman was hired to take over the coaching duties at Everman near Ft. Worth. This is a fast growing single A school with a class 3A enrollment. But the school is one with a bit of pressure to win. They started football only four years ago and have won three district championships. The have lost only one district ball game.

Castleman's resigning put Rosebud only slightly behind Cameron in the case of the changing coaches. They have had three head coaches in the past six years.

— sh —  
A new head coach will be selected in the near future according to Charles Zeigler, Superintendent of schools.

He has been taking applications and interviewing prospective coaches since Head Coach John Roberts announced his resigning.

Zeigler said that there have been some very good applicants but he revealed no names of the coaches who have applied for the job.

To do this, he said, would be unfair to the coaches who are trying for the job.

He said that the board is concerned only with selecting a replacement for Roberts and will fill the basketball position left by Joe Davis after a head coach is hired.

Zeigler said that the board would try to hire a basketball coach to keep the program going.

— sh —

The Yoemen wind up their baseball season Friday night when they play host to A & M Consolidated. The game will be played on Cameron Field at 7 p. m. We urge you to go out and watch the Yoemen in action for this final game.

**CARD OF THANKS**  
We wish to express our sincere thanks to our many friends for their kind messages, flowers and food at the time of our sorrow.

We especially want to thank Father John Geiser, Father Paul McCallum and Dr. E. O. Smith, Mark-Burns Funeral Home and anyone who gave mass offering.

## Volleyball Team Takes Trophies In Temple League

The Cameron volleyball team came home with the trophies Monday night as they took two victories over the St. Mary's Church team of Temple. They dropped St. Mary's 15-6 and 15-9 for the championship.

The members of the team are William Pagash, Lee Hollas, Eugene Schattie, Joe Mayer, Ronald Litzman, James Hollas, Mike Mikula, Robert Moraw and John Tepera.

The team entered the league as a replacement for a team that had dropped out. They won every set they played and then played Mama Moore's for the right to enter the playoffs with the first place team, St. Mary's.

The playoff was the best of three series. The Milam County team took four wins in a row. This gave them the championship.

Each member of the team was presented a trophy for being on the team by "Plunk" Wilson, director of the league.

## Accelerators Start Auto Club; Next Meeting Tonight

The Accelerators, a local car club, held their organizational meeting last Thursday night at Charlie's Garage.

The club will hold another meeting this Thursday night at 7:30 p. m. at Charlie's Garage. Anyone interested in joining the club should be at the meeting.

The club elected officers at the meeting. Chuck Krenak was elected president, Bobby Hughes was elected vice - president, Wally Short was elected reporter and Shirley Baker was elected Secretary - treasurer.

The club's main aim is to abolish "hot rodding and teach members to become safe drivers."

Krenak said that the Accelerators need the support of adults as well as teenagers in securing the safety rules and regulations.

The club plans to have safety programs conducted by experts during its meetings.

## Sunshine League Holds Banquet

The Sunshine Bowling League held their award banquet at the National Hall Saturday night. About 80 bowlers, their guests and sponsors attended.

Mrs. Billie McCoy, president of the league, presided at the banquet. The group was served Bar-B-Que chicken, ham and all the trimmings.

She passed out the trophies to the ladies who won the league and special honors.

These receiving miniature gold bowling pins for 200 games were Jody Pernice, Kay Raymond (two awards), Marie Laake, Milady Hollas, Fredia Anderle and Billie McCoy.

Receiving awards for 500 or better series were Marie Laake (two awards), Milady Hollas, Jody Pernice, Kay Raymond (three awards), Gady's Titsworth and Fredia Anderle.

The most improved player award went to Bernice George as she raised her average 16 pins. She was given WIBC award and trophy.

High Average awards went to Gladys Titsworth and Kay Raymond as they ended in a tie with a 148 average.

Kay Raymond took the top single game as she hit a 214 to lead the ladies. Marie Laake took the top series with her 541.

The team award went to the New Cameron Drug team. Members of the team sponsored by Earl Curtis are Mrs. W. O. Rinn, captain, Mrs. Earl Curtis, Mrs. Leo Laake, Mrs. E. O. Smith and Mrs. S. H.

## Hearne Edges Yoe 8-7 In Final Road Game In Season

The Yoemen had 13 hits to Hearne's seven but came out on the short end of the score as the Eagles dropped the locals 8-7 in a game played in Hearne Tuesday afternoon.

It was a bases loaded home run over a short left field fence that was the big difference. With the bases loaded in the second Mathis hit the grand slam.

The Yoemen scored three in the third as they batted around. Davenport started the inning with a single but was put out on a fielders choice. James Michalka hit a single, Lawrence Laffere gained a base on error. Manley went to first on an error and John A. Smith hit a single scoring Michalka. Edmund Michalka singled scoring Laffere. Manley scored on Bob Dymke's fielders choice.

Three more runs came when Smith started the fifth with a single and Michalka hit a long triple Dymke then came up and walloped a home run.

The Michalka boys, James and Edmund were the big guns as they each had three hits in four trips to the plate.

## Yoemen Take 14-2 Win Over Rattlers

The Yoemen allowed the Navasota Rattlers two runs in the first inning and then started a six run drop the host Rattlers 14-2 last Friday.

The second inning saw Lawrence Laffere lead off with an error and Manley and John Smith walk leading the bases. Bob Dymke then walked and Laffere was in.

Mike Mikula took a base on balls and Manley came in for the tying run. Edmund Michalka hit a single and more Yoemen scored. Plenti got on with an error. Billy Davenport walked as did James Michalka. Laffere then walked and retired the side as they struck Manley and Smith out.

The Yoemen also scored four runs in the fifth and one in the sixth and three more in the top of the seventh.

Smith hit a homer with Plenti, J. Michalka and Laffere on the pads and accounted for the four runs in the fifth.

The only other extra base hit for the Yoemen was Laffere's double.

# Hensley, Schiller, Fanning, Heitman Win Top Civic Club Flower Awards

In the Civic Garden Clubs flower show, Breath of Spring, on May 1, Mrs. Charles Hensley captured the top award, the coveted Tri Color with her entry of all fresh plant material designed in a bogarth curve in the class, Beauty Pouring Fourth.

The Award of Distinction for an arrangement with a dominant interest other than fresh plant material, was won by Mrs. Frank Schiller, entered in The Meek and Mighty, and featured a stump with most unusual lines, partly charred by fire and combined with a limited amount of fresh plant material.

In the horticultural division, the Award of Merit for the best specimen in the show, went to Mrs. Wm. Fanning for her beautiful crinum lily, milk and wine. The distinction of earning the most points in both the artistic and horticultural divisions, the Sweepstakes Award, was won by the club president, Mrs. Joe J. Heitman. To have been eligible for this award the exhibitor must have won at least one blue ribbon in each division.

The focal point of the show room was a small lovely formal garden, bordered with red bricks and complete with glass matting, a weathered portion of a tree entwined with growing ivy, a planting of holly in the opposite corner, a bird bath with a spraying fountain and a wrought iron white table and chair.

Tiny blue birds enhanced the fountain and a white car peered from behind the ivy covered tree. The judges awarded a green ribbon of appreciation for staging of the show as well as to the educational exhibit which consisted of a display of outstanding garden and flower arranging books and the Litter Bug.

The anti-litter exhibit featured a scare crow type character adorned

ed with many types of litter and embellished with a sign indicating that same cost the nation 1.3 million dollars annually to keep the highways and right-of-ways clean.

The nationally accredited flower show judges who judged the show were Mrs. Cecil Biggs, Mrs. Jack Lawhorn and Mrs. N. B.

## Personals

County Judge and Mrs. Don Humble and county commissioners LaVert McKinney and Clarence Raney and their wives and Commissioner Byron Neal attended the County Judges and Commissioners meeting in Austin over the weekend.

Mrs. W. C. Wallace is in Racine, Wisconsin at the bedside of her father who is reported to be improved this week.

Melissa Lester, daughter of Mr. and Mrs. Jimmy Lester was honored with a party Wednesday celebrating her sixth birthday.

Weekend guests of Mr. and Mrs. Robert Ellett were Mrs. Elletts parents from Amarillo and her aunt who was visiting from Arkansas.

Mr. and Mrs. Toddy Lawrence and daughter from Houston were weekend visitors in Cameron.

Mr. and Mrs. E. C. Corbin and family of Texas visited with Mrs. Minnie Corbin over the weekend.

Mrs. Grady Stidham has returned home from Atlanta Georgia where she spent the winter with her daughter Mr. and Mrs. Billy Newton and family. She also visited friends in Washington D. C.

Anita Archer spent the weekend in Corpus Christi as guests of Mr. and Mrs. Tess Smith and Miss Micky Iltis. While there she was given a surprise bridal shower by the faculty of Baker Junior High where she taught last year.

Mr. and Mrs. Authur Priess of Houston and Iva Earl Heath of Abilene spent the weekend with their parents Mr. and Mrs. W. A. Heath. Iva Earl is returning to Washington D. C. in May.

A family gathering at the John B. Hendersons Sunday included Mr. and Mrs. J. C. Culpepper of College Station, Mr. and Mrs. J. C. Culpepper, Jr. of Austin, Mr. and Mrs. E. D. Beard, Hillsboro, Mr. and Mrs. E. D. Beard Jr. and children of Hillsboro, Mr. and Mrs. Tom H. Beard and children of Hillsboro, Miss Martha Beard of Dallas, Mr. and Mrs. John B. Henderson Jr. and children of Cameron, and Mr. and Mrs. Peter Wells and children of Beaumont. The Wells' were also guests in the Henderson home Saturday night.

A varied and informative program scheduled has highlighted the Clubs year under the leadership of Mrs. E. O. Smith Jr., president. The Club year opened with an African Safari party and included outstanding studies on the worlds cultures, programs on coffee around the world, bridal customs, Japanese flower arranging and the France Flea Market. At mid-year club members and their husbands sampled Chinese cookery at a special buffet dinner held at The Surrey Inn in Caldwell.

## National Gaslight Day Set May 14 By Lone Star Gas

National Gaslight Day will be observed across the nation, May 14, by Lone Star Gas Company and some 75 natural gas utility companies. C. M. Burke, Lone Star District manager here has announced.

As a feature of this special day Lone Star will offer a variety of gaslight models for sale in the Cameron office at a substantially reduced price, Burke said.

The new popularity of the gas light as become so widespread that the American Gas Association estimates there now are more outdoor gaslights than there were during the faded gas - lit turn of the century. A. G. A. estimates that there are approximately 750,000 gas lights glowing outside homes and businesses throughout the country today.

## Watson Ridicules Insurance Lobbying In Rockdale Talk

ROCKDALE — "The insurance industry in Texas should use its salesmen - not our Senators - to peddle its policies to automobile owners, Senator Murray Watson, of McLennan County, declared Sunday.

Addressing the semi-annual convention of the Central Texas Volunteer Firemen's Association at Rockdale, Watson assailed the State Senate's action last Thursday in passing a bill to revise the Automobile Responsibility Law.

The revision would increase the amount of insurance the car owner must buy under the law.

"This particular piece of legislation has been given little publicity and has been overlooked by most of the folks back home," said Watson. "If enacted into law, this bill would increase insurance premiums by \$14,000,000 a year."

The Central Texas Senator said he endorsed the law which provides that car owners must have liability protection. He added, that it is the protection - not the amount - that the law should concern itself with.

## TWU Design Majors Present Outstanding Fashion Show Here

An outstanding collection of original dress designs were presented before a capacity audience Tuesday in the Yoe High School auditorium.

The clothes were designed and modeled by Texas Woman's University students. The Cameron show was directed by Mr. Bethel Caster, associate professor of clothing and textiles at TWU.

The Milam County Chapter, TWU Alumnae, were responsible for bringing the show to Cameron.

Following the fashion presentation the Yoe High Homemaking Department were hosts to a tea for the Alumnae Association members and other adult guests. The tea table was centered with an arrangement of mums and honeysuckles. Lime punch and cookies were served.

## In The Service

Edward Neal Shumate, Hospital Corpsman, USN, son of Mr. and Mrs. Roy Shumate, 806 N. Washington, Cameron is home on 15 days leave after completing 32 weeks of Hospital Corpsman School at the U. S. Navy Hospital Pharmacy School, San Diego, Calif. Upon termination of leave, Shumate will report for duty at the Charleston Naval Base Hospital, Charleston, South Carolina.

MRS. BOBBY HILLMAN

## Martha Mayer Weds Bobby Hillman Friday

Martha Mayer, daughter of Mr. and Mrs. V. J. Mayer of Cameron became the bride of Bobby R. Hillman, son of Mr. and Mrs. A. C. Hillman also of Cameron Friday at 5 p. m. in the home of Mr. and Mrs. Eddie Myers.

Mr. Eddie Myers performed the ceremony before large baskets of white snap dragons and white mums.

The bride wore a street length dress of white batiste with an oval neckline, short sleeves, fitted bod-

ice and full eyelet skirt. A white pillbox hat held a short veil. She carried a cascade of feathered carnations centered with a white orchid on top of a Bible. Her only jewelry was a single strand of pearls.

Miss Connie Gerick of Huntsville was maid of honor. She wore a yellow street length dress and had a yellow orchid corsage.

Thomas Leonard was best man. The groom's mother wore a blue dress with white accessories and a pink carnation corsage.

Lillie Hillman, sister of the groom registered the guests.

The bride's table was covered with a white cloth and had the two tiered wedding cake. The cake was decorated with rosebuds and bride and groom.

Pat Tittsworth, Carol Terry, Carol Ann Wilson and Becky Graham were in the houseparty. For traveling the bride wore a two piece pink inn - like suit with white accessories and the orchid from her bouquet.

Mrs. Hillman is an honor graduate of Yoe High school where she was a twirler in the Yoe High band, member of the National Honor Society, Junior Historians and future nurses.

The groom, also a Yoe graduate, played football, basketball, baseball and track while at school and was a member of the FFA.

After a trip to San Marcos, Bandera and Kerrville, the couple will make their home in Cameron.

## Births

To Mr. and Mrs. Robert Zarosky, Cameron, a son, Arthur Lee, 7 pounds 7 ounces, born April 24 at Newton Memorial Hospital.

To Mr. and Mrs. G. Olivarri, Rt. 2, Buckholts, a daughter, Consuelo, born April 22 at Newton Memorial Hospital. The baby weighed 5 lbs., 6 ozs.

To Mr. and Mrs. Norman Kuzel, a daughter, Carla Dawn, 7 pounds, nine ounces, born April 23 at Newton Memorial Hospital.

Mr. and Mrs. Gilbert Frenzel, Rt. 2, Buckholts, a daughter Margie Nell, six pounds 9 ounces, born April 24 at St. Edward Hospital.

To Mr. and Mrs. Ira Canady, 1301 W. 7 1/2 Cameron, a daughter, Ruth, Leonora, 6 pounds 2 ounces, born April 28 at St. Edward Hospital.

To Mr. and Mrs. Forrest Sapp, 1005 E. 14 1/2 St., Cameron, a son, Allan Lane, 8 pounds 14 ounces, born May 4 at St. Edward Hospital.

## Personals

George Hollas is a patient at St. Edward Hospital.

Mrs. Nadine Sapp is a patient in St. Edward Hospital. She suffered a broken heel in a fall at her home April 11. Also at St. Edward is her neighbor, Mrs. Dahlia Woods recovering from a broken leg received in an accident April 12.

## Before You Buy an Air Conditioner Know Your ABCs about BTUs

To be sure the air conditioner you buy will do all you expect it to do, you should know some basic facts:

**ABOUT BTU's.** The cooling capacity of an air conditioner is measured in "BTU's." The higher the BTU rating, the more cooling power the unit has.

Friedrich air conditioners offer the industry's highest BTU ratings — up to 25,300 BTU's of cooling power.

**ABOUT WATTS.** The wattage rating of a unit is the amount of electricity the unit consumes while it is operating. The lower the watt rating, the lower your electric bills will be.

Friedrich units deliver more BTU's per watt of electricity than comparable models, to give you more cooling power for your operating dollar.

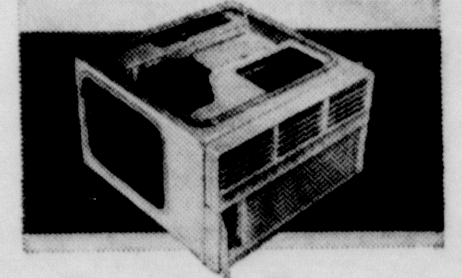

**ABOUT NEMA.** The BTU and watt ratings of most brands of air conditioners are certified for

accuracy by the National Electrical Manufacturers Association. Look for the NEMA seal next to the metal nameplate on any unit you're interested in. That's your assurance of the accuracy of the BTU and watt ratings claimed.

All Friedrich units carry the NEMA certification seal. Ask to see it on any unit you purchase.

The superiority of Friedrich air conditioners is obvious. You can see it in operation at your Friedrich dealers in his glass-topped demonstration unit — the giant cooling coil, the larger fans, the superior fan motor, the higher-quality components throughout.

IN 1963, THERE'S MORE POWER TO YOU FROM FRIEDRICH

## Historic Sites Have Wide Value

Creation of a Texas Tourist Agency should be good news for Central Texas, center point of much of early Texas history and development.

There are innumerable points of historic interest within Milam County and within sight of Milam Courthouse.

One marker, for instance, is located just east of the US 77 bridge on the north side of the road where the first, last and only riverboat delivered a load of goods up Little River to a Cameron mercantile store.

There are many other points of interest in Milam County, worthy of consideration by the recently appointed Milam Historical Committee, a group of interested citizens appointed by County Judge Don G. Humble.

Historic sites of interest are to be found near Gause, the old Nashville Settlement, along the San Gabriel River where early Spanish priests built sites before the American Revolution, and numerous cemeteries, such as the one just east of Cameron on US 77, dating from about 1849.

Development of proper perspective on the historic interest and value of such sites would serve well the complete story of Central Texas and provide real Texas landmarks for tourists seeking the same interests found in visiting Williamsburg, Va., or Lexington and Concord in New England.

The Milam Historic Committee has a wealth of points of interest and buildings worthy of a wide interest in Milam history. These points of history should be brought to the attention of the rest of Texas and the nation. Their stories of heroism, Texas development and enthusiasm would serve real purpose to tourist attraction and historical perspective.

Once in a while, a professor or doctoral candidate visits Milam and nearby counties seeking out this basic information for Texas scholarship. We see no reason why this area could not serve tens of thousands of people who seek to understand and interpret the folklore and fact of a Texas Republic that finally became the largest state in the nation.

FINISH THE JOB

Entire registration revision hinges on a constitutional amendment to repeal the poll tax. This bill, by Rep. Abraham Kazen of Laredo, passed the Senate, but is tied up in a House committee.

### GOVERNOR FOR A DAY

Sen. Martin Dies, Jr. wanted only a simple ceremony when his time came to be Governor for a Day. So he managed to hold the celebration down to a day of greetings in the governor's reception room in the Capitol.

But the simplicity of the event didn't keep the folks from coming to shake his hand and pay their respects. Among nearly 1,000 visitors were many relatives including the senator's well known father and mother from Lufkin.

More than 400 friends came all the way from East Texas in private planes and cars. Only side celebration was the traditional luncheon in the Governor's Mansion. It was attended by kinfolk of both Senator and Mrs. Dies.

### CRIMINAL CODE REVISION

The much-opposed revision of the State Criminal Code now has the approval of the District and County Attorney's Association, through an endorsement by its president, Alton Griffin of Lubbock.

Endorsement applies to the House Criminal Jurisprudence committee's version of the State Bar Association's plan for streamlining the code. House version is so different from San Angelo Sen. Dorsey Hardeman's bill which passed the Senate, that it may be a long, hard fight for approval. And there's less than three weeks left in this session. It must end by May 27.

### MISSION FOR MIGRANTS

Laredo Rep. Honore Ligarde told the House Appropriations committee that a program of basic education — gradeschool level reading, writing and arithmetic would be: "One of the greatest bargains available to you today — the renovation of human beings in such a way that they cease to be a burden to the state and assume the dignified role of contributing taxpayers."

Ligarde has introduced alternate bills to set up an educational program under the Texas Education Agency, through the urging of the Texas Committee on Migrant Farm Workers.

There are about 127,000 illiterate migrant farm workers in the state. In addition there are 800,000 other adults who rate as illiterates and who would also be eligible for courses if a plan is adopted.

### FOR MEN ONLY

Decision by Texas A M's board of directors, to make the college coeducational provoked introduction of a House resolution against the board's decision. Also a bill designed to prevent entrance of females.

Rep. Will Smith of Beaumont introduced both measures.

### 1962 VOTERS' REGISTRATION

State Comptroller Robert S. Calvert reported a total of 2,020,183 voter registrations issued through January 31, 1963.

This included 1,654,806 poll tax payments and 365,378 exemption certificates, to be used in any election held through January 31, 1964.

Loving County issued the least poll tax receipts — 90. Harris County, the most — 282,768.

## 61 Pints Given In Bloodmobile Visit In Cameron

A total of 61 pints of blood were donated in the Red Cross bloodmobile visit Friday in Cameron. Quota for the semi-annual visit was 70 pints.

Officials extended their appreciation for the contributions of whole blood and urged greater participation in the next bloodmobile visit. The program was held in the basement of the First Presbyterian Church with volunteer nurses and physicians aiding regular Red Cross personnel.

Combined with the near \$2,900 in contributions during the recent Red Cross drive, the blood donations assured continuation of the program in Milam County, officials said.

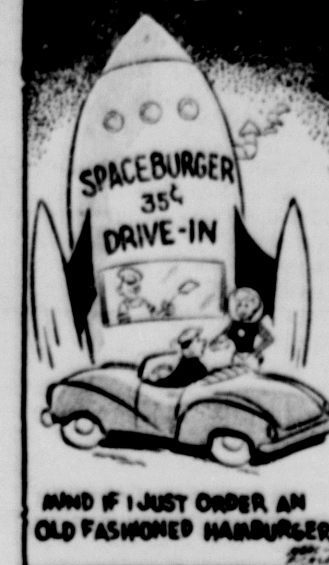

## Food Service Holds Meeting

The Texas School Food Service Association met Thursday in the Ben Milam Cafeteria with 18 members and two visitors present. The association is composed of Milam, Falls and Robertson Counties.

Officers elected were president Inez Angell, president elect Mrs. Herbert Thweatt, treasurer Velma Coward and secretary Mrs. Vasti Gary.

An invitation was read to attend a Convention to be held in Austin June 18 - 20. After the business meeting refreshments were served. The next meeting will be August 15.

## Out of Orbit

### RANCH CONFERENCE

The Texas Section, American Society of Range Management will hold its second annual Range Management Conference in Abilene, May 17. The purpose of the meeting is to bring together ranchmen, technicians and others interested in ranch and range management.

### IN TEXAS

## BEER IS A NATURAL

As natural as the wholesome grains and tangy hops from which it is brewed, beer is Texas' traditional beverage of moderation — light, sparkling, delicious.

And naturally, the Brewing Industry is proud of the good living it provides for so many folks in Texas. Not only for employees of the Brewing Industry itself, but also for the farmers and other suppliers of beer's natural ingredients. In Texas, beer belongs — enjoy it.

UNITED STATES BREWERS ASSOCIATION, INC. TEXAS DIVISION

## In The Service

WESTERN PACIFIC (FHTNC) Marine Staff Sergeant Fredrick W. Mortimer, son of Mrs. Helen C. Mortimer of Rt. 3, Cameron is serving with the Special Landing Force of the Seventh Fleet in the Western Pacific.

The force is made up of the Third Battalion of the Ninth Marine Regiment. It embarked from Okinawa on March 28, to begin the seventh Fleet duty.

The battalion arrived in the Far East last June and has participated in several exercises, including Operation Lone Eagle and Operation Ridgeline. As part of the Third Marine Division, the unit is a segment of the Seventh Fleet's powerful amphibious striking forces.

SANGLEY POINT, PHILIPPINES (FHTNC) — Patrick W. Wallace, aerographer's mate airman, USN, son of Mr. and Mrs. William W. Wallace of Rt. 2, Buckholts, is stationed at the U. S. Fleet Weather Facility, Sangley Point, Philippines. Prior to reporting here, Wallace graduated from a basic course in meteorology and meteorological observation techniques at Lakehurst, N. J.

A graduate of the Buckholts High School, Wallace entered the Navy in July 1962.

### TRACTOR POWER

Tractors power American agriculture and are a major item in production costs. In 1940 tractors in the U. S. were valued at \$503 million. In 1960 they were worth \$3.4 billion.

## THE OLD PHILOSOPHER

Philosopher Looks With Disfavor On New Invention To Force The Use Of Seat Belts

With so many things needing to be invented, like a salt shaker that works in damp weather or an automobile tail pipe that won't rust out or a light bulb that notifies you a day ahead of the time it burns out, it always puzzles me to see people working on non-essential ideas.

For example, I read in a newspaper last night about a new invention that's now on the market that made me throw the paper down and turn on television.

This new invention is a gadget that keeps you from starting your car until you've gotten your seat belt fastened. An electronic device is connected to the starter, and the switch won't work until the seat belt is strapped around you.

Now I haven't got anything against seat belts, they save lives if you're going to have a wreck and if you keep driving you probably are, but if I haven't got sense enough to use one, I don't want anybody inventing something to make me. I have enough trouble starting my car now, without having to check to see if the wire from the seat belt to the starter is broken. Cars have too many wires anyway, if you ask me. And if it's a five-passenger car, would all five belts have to be fastened before you could start? This sure would require hauling a lot of people around unnecessarily.

The whole idea is a trend that can lead to more and more complications. For example, some smart

alec may invent a gadget to keep you from turning on your television set until you've worked 8 hours, or a device to keep you from turning your tractor engine off until you're through plowing, regardless of whether the fish are biting.

If the trend keeps going, and cars get more and more electrical devices, like a radio-controlled system that automatically applies your brakes when a stop light turns red, or a gadget to lock the steering wheel when you try a right turn from the wrong lane, etc., the time may come when you have to go into intensive training for years like an astronaut before you're qualified to drive one.

This might be the answer to the traffic problem, but I doubt it. There are only a handful of astronauts now, but sooner or later if they keep hurtling around one of them is going to collide with another out in space.

Yours faithfully,  
J. A.

### POISON IVY

This is the time of the year when poison ivy and other noxious plants become a hazard, says G. O. Hoffman, extension range specialist. All parts of the plant can cause skin irritation but the sap is especially dangerous. To prevent contamination by poison ivy, avoid touching it and wash any area that does come in contact with the plant. The smoke from burning poison ivy leaves can also cause characteristic dermatitis.

## Dateline Austin —

# Gov. Connally Signs 27 Bills

AUSTIN — Gov. John B. Connally signed 27 bills into law today, then he and Lt. Gov. Preston Smith left the state.

Their departure was to permit Sen. Martin Dies, Jr. of Lufkin to take over as "Governor for a Day". Each bill applied to a special area of interest. For example:

1. House Bill 16 by Rep. Olen R. Petty of Levelland interests State banks. It exempts them from the State sales tax and franchise tax so long as federal banks are exempt. Saves them \$1,000,000 a year.

2. House Bill 588 by Houston Rep. Tom Bass interests firemen and policemen. It enables them to credit toward "job seniority" time taken off for military service and guard duty. This speeds up their promotions.

3. House Bill 614 by Rep. Amado Canales of San Diego and Rep. Jerry Butler of Kennedy interests hunters. It puts a "No-Hunting" sign on Duval County for the next five years.

These laws will go into effect late in August.

### LOOPHOLE IN THE LOOP

Municipal annexation bill, which has passed both houses, is ready for Governor Connally's signature. It gives every city an "extra-territorial jurisdiction" — from five miles for cities of more than 100,000 population to one-half mile around cities of 5,000 or less population.

It sets up an extra-territorial area of one mile around cities of

5,000 - 25,000; two miles around cities 25,000 - 50,000; and three and a half miles around those with populations ranging from 50,000 to 100,000.

Under this proposed law a city could annex in a year no more than an acreage equal to 10 per cent of its size on the first day of that year. In computing this, many have drawn concentric circles around sample cities.

But this is not the limitation it would appear to be.

Actually, instead of extending its whole perimeter, a large city could annex a five mile strip along major highways without approaching the 10 per cent limit.

### VOTERS REGISTRATION

A registration system to take the poll tax's place is all but decided by the Legislature.

Senate — passed bill by Sen. Tom Creighton of Mineral Wells calls for a 25-cent registration fee in lieu of the \$1.50, or \$1.75, poll tax. It retains the present system of registering voters each year.

El Paso Rep. Malcolm McGregor tried to include the Texas League of Women Voters' plan for permanent registration, but it was turned down.

House took the 25-cent fee provision out of the bill. So a House-Senate conference committee will have to settle this dispute. Another House amendment would require rural people and those residing in small towns to register every year, if they are over 60 years of age.

A present, these people are allowed to vote without registering.

### Legal Notices

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF CHARLIE R. SERODINO.

Notice is hereby given that original letters testamentary upon the estate of CHARLIE R. SERODINO were issued to me on the 6th day of May, 1963, in the proceeding indicated below, which is still pending, and that I now hold said letter. All persons having claims against said estate, which is being probated in Milam County, Texas, are hereby required to present the same to me at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by Law.

My residence and Post Office address are: P. O. Box 2, Cameron, Texas.

SYLVIA S. LOVE  
Independent Executrix of the Estate of CHARLIE R. SERODINO, deceased. 7-1tc

## Pre-School Roundup Set For May 15-16

The Spring Roundup pre-registration at Ben Milam School will be held Wednesday and Thursday May 15 - 16 from 2:30 to 4 p. m. each day, according to Asst. Supt. R. T. Adams.

Officials urged parents to bring birth certificates and immunization records of small pox and PT series with their children.

Parents were also urged to pre-enroll their youngsters on the two days set aside for the Spring Roundup.

## EI&E

By John E. Seel

County Agri. Agent

AG. INSTRUCTOR VISITS HERE  
Mohamed B. Kamara, of Sierra Leone, a city in West Africa, arrived in Cameron on Monday evening May 6. Kamara is a poultry instructor and will observe Extension activities in Milam County and tour commercial poultry establishments in Milam and McLennan Counties.

Kamara will remain in Milam County until June 1, 1963. One June 1 he will return to Prairie View A & M College and attend the Regional School for Extension Workers.

Kamara's itinerary in the county will also include visits to farms, homes, 4-H activities, community and County Program Building meetings. We are happy to have him as our guest in the country and extend to him a cordial welcome.

4-H AWARDS PROGRAM  
The annual Mayday and 4-H Awards Program was held on Saturday May 4 in the Fair Park in

Rockdale. The 4-H awards program was held at 11 a. m. Four H Club members from throughout the county were present to receive awards for outstanding accomplishments in 4-H Club work and activities.

## WSCS Luncheon Held Here Monday

The WSCS of the First Methodist Church met Monday at 12 noon for luncheon. Twenty - two members and one guest, Mrs. Howard Terry were present.

Announcement of the training course to be held in Rockdale Tuesday was made. Mrs. Janie Rawls was in charge of pledge service assisted by Mrs. Suzanna Wells. Next Monday the circles will meet in the homes. The Perrin circle will meet with Mrs. Grady Stidham, the Henderson circle in the John Henderson home and the McCullin circle in the S. A. Easley home.

**THE IMMENSITY OF GOD**

Though the stars are far, far away, the God who made them is near, for He is omnipresent—present everywhere.

Unbelief may say, "God is 'no-where'". Faith says, "God is 'now-here'". The Apostle says, "he is nigh unto everyone of us, if haply we may feel after him and find him." The feel of faith finds Him, and hears Him say, "Lo, I am with you alway."

In God's house, next Lord's day, he will be exalted in song and sermon. Enter with others to worship Him. Depart with others to live for Him.

**Burlington—****Mrs. Krause At  
Home After Stay  
In City Hospital**

By Mrs. George Logan

Mrs. Phil Krause is at her home here in Burlington from St. Edward Hospital in Cameron where she underwent surgery.

Relatives here have had word that Foy Benesh of Houston has entered a Houston hospital. He is doing fairly well.

Mrs. Fritz Wied entertained the 42 club at her home Tuesday April 30. Refreshments were passed after games were played.

Mr. and Mrs. Billie Lewis Stuessel of Temple were guests of relatives here Sunday.

Post Master and Mrs. Walter G. Marek were visiting in Temple on Thursday night.

Mrs. Joe Hickman, music teacher, was a visitor at the Public School here last week.

Mr. and Mrs. Clarence Robinson and his sister Mrs. Minnie Stary of Wheeler were guests of friends and relatives here last week.

Mrs. Doris Jean Schuetze and children of Waco visited relatives here and at Rosebud Tuesday.

Mr. and Mrs. Robert Lee Schuetze and family of Waco visited relatives here Saturday on their way to Rockdale for a visit to relatives.

Mrs. Lola Westbrook, Mr. and Mrs. Robert McCollum and daughter Sherry and Joyce of Waco were recent visitors to relatives.

Relatives here of Bass Ford of Cameron received news that he had a heart attack but later have learned he is doing alright and out of the hospital.

Mrs. Nora McClains of Temple was a guest of Mrs. C. H. Heugatter recently.

Mr. and Mrs. Will Stoeber and family of Burlington had the following at their home. Mr. and Mrs. Floyd Stoeber and family of Ft. Worth and Mrs. Otto Kelm of Cameron, Mr. and Mrs. Walter Kosel of Ben Arnold, Mr. and Mrs. Edie Baker of Yarrellton, Miss Willie Mae Stoeber of Temple, Mr. and Mrs. Adolph Stoeber of Travis, Mr. and Mrs. Arnold Juergens of Rosebud, Mr. and Mrs. Robert Baring of Burlington.

Mrs. Celia McSherry spent Sunday at Westphalia with Sister Evangelia.

Mrs. Eugene Hoffman of Wilson spent a day here with her sister Mrs. Paul Olbrich and family here last week.

Mrs. Paul Olbrich and her father Frank Buckholt accompanied their relative Herbert Herzog of Westphalia to Temple Wednesday for medical treatment.

Mr. and Mrs. Walton Warschak and family were in Stephenville Sunday for a visit to their son who is in college there.

**PTA Has Open  
House For Teachers**

The Sharp PTA is sponsoring an open house to honor Mrs. Quido Gershback, who is retiring after thirty - two years of teaching.

The public is invited to the party which will be held Sunday, May 19, at the Sharp School from 3 to 5 p. m.

**Personals —**

Mr. and Mrs. Ralph Michalka and children Jeanie and Jimmy of Kalamazoo Mich., have been visiting his parents Mr. and Mrs. Anton Michalka and family.

Mr. and Mrs. George Thurman of San Antonio and two children Laura Ann and Mark spent the weekend with her parents Mr. and Mrs. B. J. Matocha.

Mr. and Mrs. A. R. Price and Texas City spent the weekend visiting her mother Mrs. Freida Meyers and other relatives.

Charles Lee Eanes of Beeville spent the weekend with his parents Mr. and Mrs. J. V. Eanes.

**Rev. Herring  
Named Rogers  
Citizen - Of - Year**

ROGERS — The Rev. Clyde Lee Herring, pastor of the First Baptist Church of Rogers has been named the most outstanding citizen of the year of Rogers by the Rogers Community Service Club, Wayne Crawford, president.

Although this project was set up by the Club last year, this is the first time a winner has been named in the project. The Rev. Herring has just returned to Rogers and America from the Orient where he preached four weeks in the Crusade called Japan New Life Movement sponsored by the Japanese Baptists, Texas Baptists and the Foreign Mission Board of the Southern Baptist Convention. Rev. Herring's preaching was in the Philippines. There were more than 6,000 decisions for Christ in the Philippines by the Crusaders.

Some of the things Rev. Herring has worked successfully on that were cited by the Club include: helping get the Rogers Health Clinic set up; serving as the active chairman of the committee that put up street signs and promoted house numbers for the first time in Rogers; has worked and preached the past two years on soil conservation, being invited to speak on Soil Conservation day two years by KCEN - TV, he established the live Easter pageant held in Rogers the past two years; helped establish and promote the annual Henry Cowen Sunrise Master Pageant held on the football field; led his church two years ago to win the Church Achievement - a - ward in Bell County, and last year to win in the area; he encouraged the FFA of high school by attending their summer encampment in 1962. He led the youth of the area in CROP collections at Halloween.

## Easy-Do Values!

We Reserve The  
Right To Limit

Say Dad... just a reminder, Sunday is Mother's Day, so let's give her a little something extra to go along with that corsage. Why not make Mom a real "easy doer" by surprising her with a Sunday dinner prepared by you and the kids. Shopping is easy, too, because the easy-to-prepare values are store-wide in every department. It's easy to shop, easy to save, so Mom take it easy Sunday and have a HAPPY MOTHER'S DAY!
